**THE SOUTH** — a land rich in tradition — a lifestyle full of promise. Southern living is a unique way of life — a lifestyle built on a strong foundation symbolized by stately columns supporting many antebellum structures which still stand as monuments to their builders — testaments to times past. Representing strength of the past, these columns also signify a link to the present as well as a hope for a bright future. These antebellum monuments are serenely nestled within a modern, productive and prosperous city, providing a striking contrast of old and new. The unique blend — the combination of old and new makes the South special. With the strength drawn from its past coupled with the progressive ideals of the present, the South will remain a symbol of strength and forever provide a gracious setting for Southern Living.

# DECA

Part-time Cooperative Education is essentially a cooperative effort, whereby business and industry, on the one hand, and the senior high school, on the other, cooperate in the actual training for employment of certain high school boys and girls. Before a student is admitted to the program, he or she must have, with the aid of the coordinator, if necessary, (1) selected a specific occupation of job in which training is desired, and (2) secured part-time employment in this selected occupation as the laboratory part of the course. The DECA program requires that each student attends the part-time cooperative class one period each day and devote at least 15 hours per week during school days to actual employment on the part-time job.

# BEAUTY PAGEANT

The Maroon and White's fourth annual beauty revue was nothing short of a great success! The curtains opened to reveal twenty beautiful young ladies to a capacity audience. As the beauties competed in several categories, tension mounted as everyone waited to learn who would be named Most Beautiful 1984. After much deliberation, five judges selected Jackie Evans and Cherrie Tafoya as second runners-up and Debora McCrary and Nila Franklin as first runners-up. The crowded audience cheered with delight when Felicia McKinley and Rachael Pongetti were named Most Beautiful.

## 1983-84 LEE HIGH GENERALS

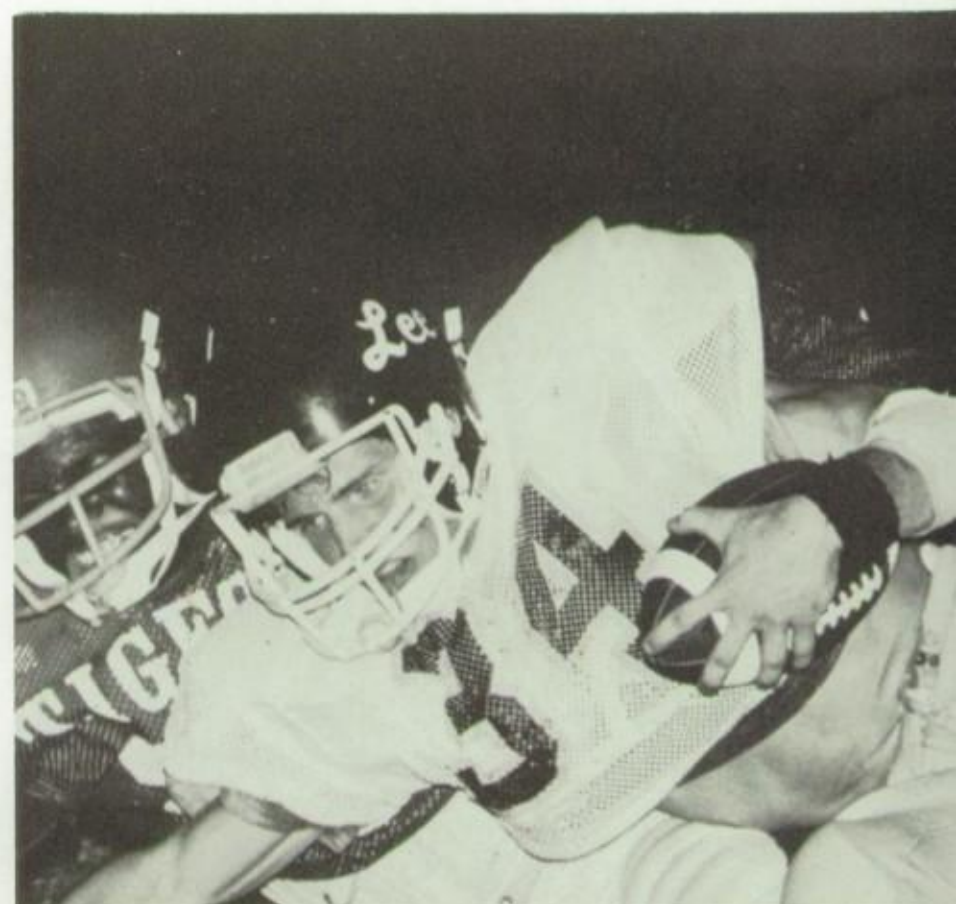

First row: Anthony Colom, Anthony Ramage, Brad Newman, Danny Sample, Shawn Swedenburg, Thomas Lee, Stephen Read, Chris Lemon, Vincent Lyde, and Ron Carr. Second row: Coach Hendrix, Buddy Perrigin, Timmy Williams, Bobby Jones, Ken Jones, Larry Tate, Jeff Whisenant, Carl Brown, John McCall, Lester James, John Roberts, Dale Nelson, and Coach Jackson. Third row: Coach Coleman, James Hudgins, Mark Smith, Jerry Gregory, Matthew Atkins, Heath Beard, Rob Harris, Anthony O'Neal, Warren Benjamin, Chris Murphy, David Cooper, Harold Smith, and Coach Bruce. Fourth row: Coach Rush, Coach Wilkerson, Alexis Johnson, Kelvin Jones, Lloyd Perrigin, Lazeric Smith, Chester Randall, Robert Grondin, James Thombs, Raleigh James, James Harris, Coach Everson, Coach Woods, and Coach Williford.

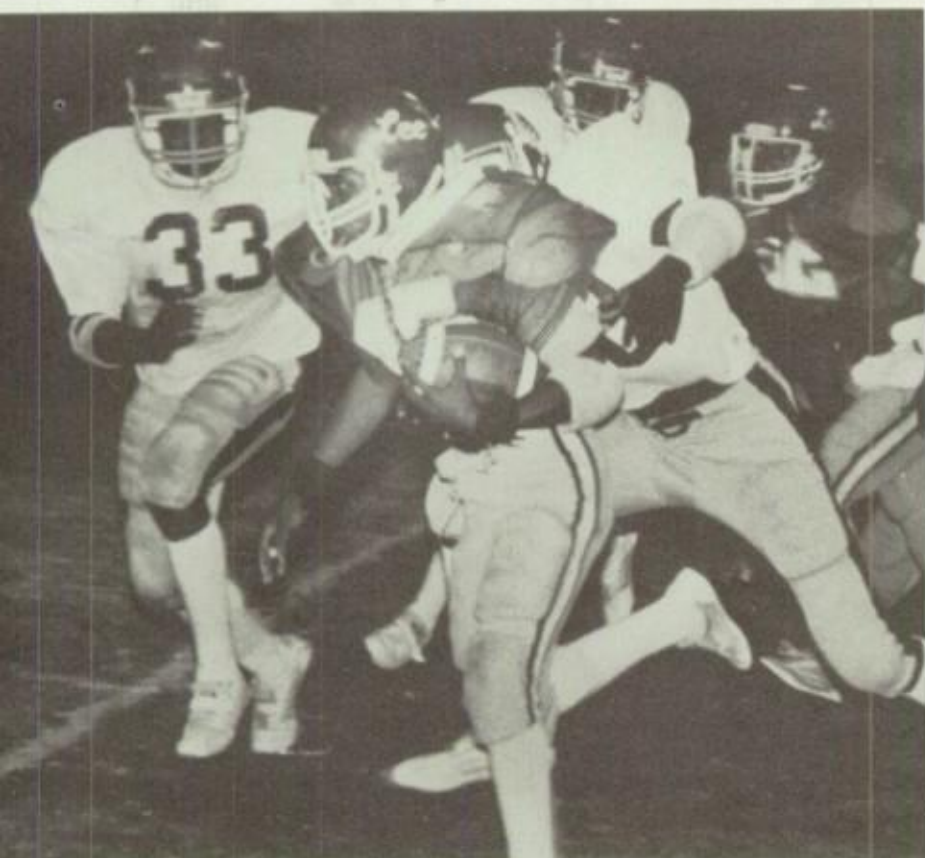

The General's 1983 season was a year of ups and downs. There were many emotional highs throughout the year with last minute wins over Greenwood and cross country teams like New Hope. Along with the highs came the lows and the 1983 team had more than its share of last minute losses like those to Louisville and Quitman. The generals ended the year against Caldwell in a heated dog fight. Once the dust settled, the Gens were on top! The Generals finished the season with a 5-5 record. Although the season cannot be considered a winning one, it certainly can be considered a productive and successful one.

---

---

"The coaching staff was really impressed with the effort and heart of this year's team. With a little luck, we could have turned a few games around, but I know not what is meant by football is a game of inches."

Coach Johnny Bruce

The 1984 Girls' Track team had a very outstanding season. The Key to their success was Senior leadership and practice, and more practice. A few of the Lady Gens were able to place at North State this year. Those who placed were Michelle Hollis, Chris Hill and Debra Richradson. Congratulations to Coach Wynn and her Lady Gens for representing Lee High in such an outstanding way.

# VOLLEYBALL

---

---

---

---

The Varsity Girls' Volleyball team enjoyed an outstanding season this year. Winning ten out of eleven games played, the team had a record season. Coach Wynn commented on how good the team performed. Much of the team's success was due to team work and the Senior leadership of Chirs Hill and Karen Spencer.

*Allison

As Editor of the 1984 Maroon and White, it has been my desire to create a book that captures memories of this school year for everyone at Lee High . . . memories of Homecoming, baseball games, pep rallies, graduation, and all of the other wonderful times that the students at Lee High have shared. These memories are captured in this annual so that graduates and underclassmen may look back and remember, laugh and cry. Working with this year's staff was truly a wonderful experience for me. I hope that every Maroon and White staff member feels proud of this book that we have all worked long and hard to create. Even though I have never fought with one person so much in my life, I would not have been able to make it without Mr. Ron Locke. Through the good and bad times, Mr. Locke has always been there for all of us. He has been one of my best friends, and I appreciate his love, patience and kindness. I feel that the 1984 Maroon and White staff has produced the best annual that Lee High has ever seen.

*We really care...*

Two local doctors built the facility on Main Street (then an unpaved thoroughfare) in 1905. Historical records, circa 1910, described the medical facility as "the splendidly equipped, modern hospital in Columbus..."

Through the years, the hospital building and equipment were updated regularly. New wings were added; the exterior and interior were remodeled; and new, modern equipment was continually added.

But, in 1976 hospital officials decided a move to new headquarters was necessary to continue to meet the needs of patients.

The Willowbrook Road site was selected because of its access to the bypass and its availability to medical support facilities and physicians. The availability of a 15-acre tract of land was also very attractive. Ground was broken for the new hospital February 23, 1979.

Tax-free revenue bonds were secured to finance the construction of the new building. The bonds will be paid solely from hospital revenue with no obligation to Lowndes County tax payers.

The building and parking lots occupy approximately 2 1/2 acres of the 15-acre site. The three-story, brown masonry building contains 45,000 square feet. Services include: medical/surgical, coronary/intensive care, psychiatric, chemical dependency, and emergency room.
